Digital maintenance committee report:

- Nothing new to report since the IG meeting last week.

[Everyone will get a chance to share and contribute (once per round) for 1-2 minutes. After everyone present has had the chance to share once and one round of discussion is completed the group can decide if it would like to have subsequent rounds of discussion.]

Old Business:

- AA3 9:30 pm Korea / Japan time (Mon - Sun 7 days per week) has voted to be an autonomous group and wants the website updated to reflect this. Cindy is the temporary GSR.
- Some discussion surrounding what GSO groups belong to and what GSO the intergroup belongs to. The US / Canada service structure has not included online meetings in the past due to the fact that they do not consider online meetings to be geographically based.
- There appears to be 4 groups which have stated they would like to continue to remain autonomous and not merge with other groups. Discussion on if the rest of the 9:30 pm Korea / Japan time groups (AA1 and AA2) should merge together to become one autonomous group. The Monday 9:30 pm Korea / Japan time group has declared they would like to remain autonomous.
- Motion to bring the idea of 'merging' groups to the Tue - Sun 9:30 pm Korea / Japan time groups (AA1 and AA2) GC meetings at the end of August to see if these groups would like to

remain autonomous or merge with others. It was agreed that the groups with GSR's would bring this question to their groups and groups without GSR's would be attended by Thomas or Aven to convey this question. Intergroup requests that these groups clarify if they will remain autonomous, individual groups or merge.

- Discuss IG treasury.

New Business:

- Discuss having a sobriety requirement for members of the Digital Maintenance Committee.

Discussion of Treasury & Intergroup expenses will be held over to next meeting.

Confirmation of date of next meeting: September 13th at 7:30pm Korea / Japan time.

Confirmation of host for next meeting: Karen

Closed with serenity prayer
