1.

A motion was passed to discuss changes to the script to prevent cross-talk and create a welcoming space for fulfilling our primary purpose.

Following discussion, a motion passed unanimously to make the following changes to our script.

*Thank you. The floor will now be opened to sharing our feelings about today's readings, or topics on alcoholism that are affecting you. When you are sharing, please be mindful that others wish to share as well, and kindly refrain from sharing for too long or more than once. No opinions or crosstalk, and please understand that in my role as the chair, I may have to intervene if you are talking too long or your share does not relate to alcoholism that affects you.*

(If someone ignores a caution or starts arguing, the chairperson may mute the individual or ask the Tech Host to mute them.)

Jenny agreed to make the changes and send the updated script to all doing service.

2.

There was a question about including the Paypal link in the script, to be added to the chat box during meetings. This topic was tabled for discussion at the next Group Conscience.

The meeting adjourned at 8:50 with the Serenity Prayer.
